In developing slates of nominees, the committee will also consider areas of expertise or specialization within psychology, stage of career (early, mid, late) and other aspects of diversity that are relevant to the committee's mission. APA Strategic Plan

APA is engaged in a process of transformation, placing a much greater emphasis on making an impact that clearly benefits society and improves lives. In February 2019, the governing body of APA, the Council of Representatives, adopted a new strategic plan that sets APA's organizational priorities for the next three to five years. Going forward, boards and committees will work in an integrated, collaborative, and multi-disciplinary manner since no single board or committee can achieve any of the plan's objectives on their own. Given the importance of this approach to the Association's strategic priorities, APA encourages nominees to CDIP to review the [strategic plan](#) to become familiar with the larger context in which their expertise and interests will contribute to APA's success.

The committee shall consist of six members including at least one early career psychologist. It shall report to council through the [Board for the Advancement of Psychology in the Public Interest \(BAPPI\)](#).

As APA continues its transformative work of implementing the [APA Strategic Plan](#), BAPPI does so with a focus on Goal 1: Making an impact on critical societal issues. As a result, BAPPI has identified its primary strategic initiative: Mitigating Bias, Stigma, and Discrimination (BSD) to Advance Equity, Diversity, & Inclusion on which to focus its work, in coordination with Public Interest Committees.

Call for Nominations to the Committee on Disability Issues in Psychology

Public Interest Committees will be instrumental in supporting a wide array of APA strategic initiatives, as it relates to the BSD Initiative including, but not limited to: State/Local Advocacy, Intersectional Racial Equity Issues, Health Inequities, and Climate Change.

A strong interest, passion, or expertise in any, or all of these topic areas is highly recommended.

Position Requirements

CDIP members are required to attend one in-person meeting each year in Washington, D.C., with expenses reimbursed by APA (pending Coronavirus related travel restrictions). In 2024, the meeting is scheduled for March 22-24. Committee members also work on CDIP priorities between meetings and will be expected to participate in bi-monthly virtual meetings, a series of virtual meetings in the fall, and regular online discussions. In addition, CDIP members are encouraged to attend CDIP related symposia and events at the APA Annual Convention if possible, though expenses cannot be reimbursed.

Please note, a large amount of committee work is completed in Microsoft Teams. A proficiency or willingness to learn the platform is helpful in this position.
